Minimum Pricing:

There is a minimum purchase requirement of \$2,000 retail price within 60 miles of area code 47834. This will ensure that all the costs associated with the display are covered. The minimum purchase requirement outside that 60 mile radius for is \$2,500.

Electronic Firing:

We at Sky Magic choose to electronically fire all of our wedding displays, with occasional possible exceptions due to conditions. This aids in the overall appearance of the display and the timing. We strive to avoid gaps in the display where there are no effects in the sky. Having our shows electronically fired also aids in the effects that we can create. We can easily group effects together for a more dazzling overall appearance.

Payment:

We accept cash, check, and money order. There are no hidden fees. We simplify the payment process by including all taxes, fees, and charges directly into the cost of the display. This allows you to easily calculate a price that will fit your budget.

We request a down payment of 50% on all wedding displays, to be received no later than 30 days before the wedding date. **Balance of payment is due night of display.**
